## Membership Information and Application Form

As a member, your support not only helps the Society provide a forum for sculptors to interact and exchange ideas, but also expands the public's appreciation and understanding of sculpture within the state. As an educational non-profit organization, the Society also sponsors educational programs and annual exhibitions for our membership.

In an effort to become more efficient we have streamlined our membership renewal/application process by adding PayPal (credit card) payment as an option for your membership payment.

**Dues are \$35 per year or \$95 for 3 years payable by check or PayPal on this website.** Paying for 3 years saves you money, stamps, time, paper and effort.

**The deadline is April 15th). Late membership renewals rise to \$50 after April 15th** for anyone who has previously been a member. Please don't delay.

- New members who sign up after June 30th will get free membership for the balance of the year and their membership dues will be applied to the following year. (This offer applies to new members only\*).
- Full time college/university art students may apply for temporary membership at no cost. (*We want to support the idea of furthering one's education and encourage students to become involved with the Society.*)

Of tremendous benefit to SMS members is our website—[mnsculptors.com](http://mnsculptors.com). **Current paid members can upload photos of their work, as well as biographical information —free of charge—so you can showcase your work and achievements for prospective customers and the media.** The website also provides information about future exhibitions, sources for sculpture supplies, news, and exhibition/commission opportunities for sculptors.

A current paid membership is required to enter SMS exhibitions, receive our newsletter and access some features of the SMS website. Only current members will be featured on the website and have the ability to upload current works.

When you renew your membership, be sure to **include your E-mail address** so that we can send you your temporary password and instructions for loading your gallery and biographical information.
